Avado® Filtered Beverage Faucet

LKAV71FLS

Healthier Hydration Made Easy

Filtered water at the sink makes healthier hydration a breeze for you, your pets and even house plants. The Avado® filtered beverage faucet provides cold, filtered water, while saving time and money by eliminating the need for disposable plastic water bottles. The long-life filter reduces lead and other contaminants for peace of mind and great-tasting water.

elkay.com/faucets

One Faucet Hole

Installs using one faucet hole next to the kitchen faucet.

Space-saving Filter Installation

Filter mounts to cabinet wall to keep your sink area and the space under the sink free of clutter.

Filtered Water

Filter is tested and certified to NSF standards to reduce lead and other contaminants for healthier water.

Long-life Filter

Quick-change filter lasts approximately one year, saving time and money while providing cleaner, better tasting water. Included with faucet.

Flow Rate

Max flow rate is 1.5 GPM.

Reduce Waste

Contribute to a cleaner world by eliminating single-use plastic water bottles that can end up in waterways.

Cold Water Only

Hooks into cold water line. This filtered water faucet coordinates with an array of Elkay kitchen faucets.

3 Stunning Colors

Chrome (CR)

Lustrous Steel (LS)

Matte Black (MB)
