

Hands-free Hydration

Touchless, hygienic and reliable

We offer hands-free bottle filling stations, water coolers, fountains and dispensers that provide healthy hydration and contribute to a safer world.

Antimicrobial Protection

Special silver ion antimicrobial protection on key plastic components to inhibit the growth of mold and mildew.

Hands-free Operation

Sensor-activation provides users with touchless, sanitary hydration.

Integrated Drain

Exclusive fastenerless integrated drain reduces debris accumulation and is easy to clean.

Cleaner, Healthier Water

NSF certified filters help reduce lead and other harmful contaminants.
